The car boot sale went well and made over £70 for village funds.

I think the whole village will agree that the village green and playground have looked very well maintained and neat throughout the summer. So from the whole village I would like to thank the grass cutters, you do a great job.

Family Fun Day and Sausage Sizzle

bringing together our communities

What a day! It was definitely a sizzler - the sun shone, the people came, the sausages tasted great, the bouncy castle was fun, Jester for Jesus was a big hit. This proved to be a very enjoyable day not just for those who came, but for all those who helped make it a success, and we say thank you, especially to Gleaston who hosted the event on their Green.

Watch this space for a similar event next Summer, but before that, there will hopefully be something in the October holidays for our youngsters.

If you have an ideas/events or news to put in your monthly newsletter please let me know.
